UM offered great opportunities for its students to join exchange programmes. I have learned a lot by spending a semester in South Korea. It was one of my best experiences as a university student.

**Sarah Dahner

UM students are so active both in and outside the classrooms. We always found activities ongoing all the time and the campus environment is very happening most of the time.

**Hana Nakanish

I have been involved in many cultural activities and I found Malaysia is one of the best to explore during my undergraduate studies.
