- Possessed a Bachelor of Medicine and Bachelor of Surgery or any equivalent medical qualifications approved by the Senate; **and**
- Fulfil the requirements to be registered as a medical practitioner in accordance with the Malaysian Medical Act 1971; **and**
- Fulfills clinical experience as prescribed by the programmes; **and**
- Pass the Entrance Evaluation of Medical Specialist Pre-Entrance Examination (MedEX) or any other evaluations and requirements set for the programmes; **and**
- Applicants are required to obtain a minimum score of 600 for a Paper-Based Test (PBT); a score of 250 for a Computer-Based Test (CBT), or a score of 100 for an Internet-Based Test (IBT) for the Test of English as a Foreign Language (TOEFL); **or**
- Alternatively, applicants could also obtain an International English Language Testing System (IELTS) (Academic) in which a minimum score of Band 6 or 7 is required for admission purposes; **and**
- Applicants must also ensure that their age does not exceed 40 years old by the time the application is submitted before 1st June 2023.

Application Fee

- MYR 300

Programme Duration

- **Minimum** : 4 Years
- **Maximum** : 7 Years

Application Deadline:

30 AUGUST 2022

Note

- Only applicants that possess a Bachelor's Degree qualification that is recognised by the Malaysian Medical Council (MMC) as listed in the Second Schedule Medical Act 1971 are eligible to apply for admission.
Remarks:
 - Eligibility for applications are based on qualification of recognized Institution (Please refer the following link: mmc.gov.my/medical-education-recognition).
 - Non-Malaysian/foreign medical practitioners with unrecognized medical degrees are to sit and pass the Examination for Provisional Registration (EPR) prior admission. The EPR applications can be made via Medical Register Information and Technical System (MeRITS) at meritsmmc.moh.gov.my
- Multiple applications for the Master's Degree by Clinical programme and alteration of an application to a different programme is not permitted.
- Placements for international candidates in all of the available Master's Degree by Clinical programmes are generally very limited.
