Modern & Progressive

Malaysia is a modern and progressive country. Its convenient transportation system seamlessly connects all parts of the city through the Klang Valley LRT, MRT, Monorail, and the Kuala Lumpur International Airport (KLIA) Transit, with additional public transport options available nationwide. Additionally, Malaysia is a contemporary, Muslim-friendly country, offering easy access to Halal food and modern amenities.

Why Studying in Malaysia is a MAJOR WIN

Affordability

Malaysia is affordable in many aspects, including food, travel, transportation, and tuition fees. The average annual tuition costs are approximately US\$4,400 for public universities and US\$4,970 for private universities. According to Numbeo's Cost-of-Living Index 2024, Malaysia has one of the lowest cost-of-living indexes in Southeast Asia, at just 34.4.

English is Widely Spoken

English is widely spoken and used in Malaysia. For student admission to Higher Education Institutions (HEIs), Malaysia administers its own English proficiency test, the Malaysian University English Test (MUET). Whether you are navigating the streets of Kuala Lumpur or exploring rural areas, you can easily communicate with both locals and international friends in English.

Strategic Location

Malaysia is strategically situated in the heart of Asia, making travel to neighboring tourist destinations easy and affordable. During semester breaks, students can effortlessly travel both locally and internationally. With the world-class Kuala Lumpur International Airport (KLIA) and Malaysian-owned carriers, all ASEAN cities are just a short, affordable flight away.

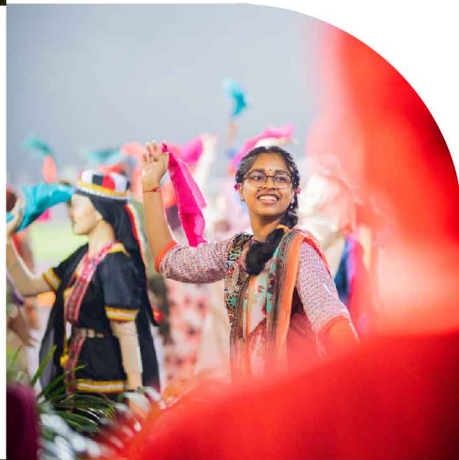

Safe & Peaceful

Malaysia boasts a safe, peaceful, and vibrant community. Currently ranked 19th in the 2023 Global Peace Index (GPI), Malaysia offers a secure environment for your studies. Enjoy tranquil days and nights in the countryside or safe urban adventures throughout your academic journey.

Multicultural Society

Malaysia is renowned for its friendly and diverse community, often considered a melting pot of Asia. This cultural diversity results in numerous celebrations and festivals throughout the year, making Malaysia a haven for unique and delicious cuisine. Students will gain a global perspective by working, interacting, and living with people from various cultures. Experience the beauty of diversity and rich cultural heritage when you study in Malaysia.

Dynamic Lifestyle

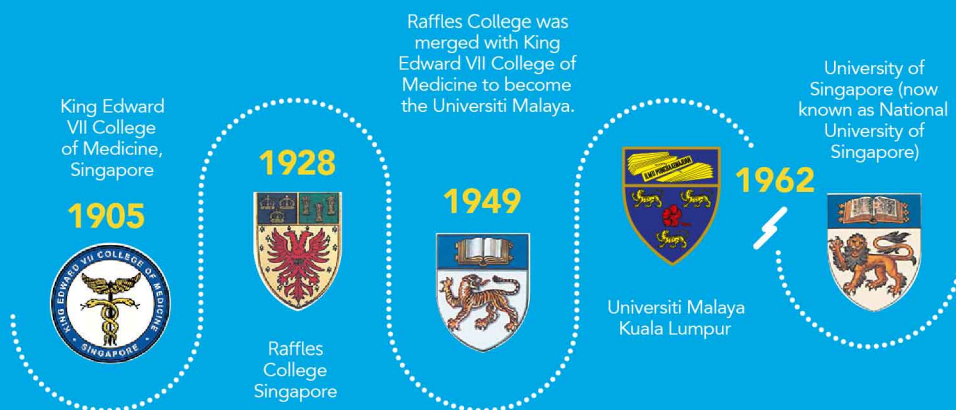

Many international students choose Malaysia to broaden their horizons and foster personal growth. Students enjoy a vibrant lifestyle with exciting activities, beautiful destinations, and a harmonious multicultural society. Malaysia offers pristine beaches, biodiverse rainforests, vibrant coral reefs, unique marine life, and stunning mountain scenery for endless adventures.

History

ALL ABOUT

UNIVERSITI MALAYA

Mission

A global university impacting the world

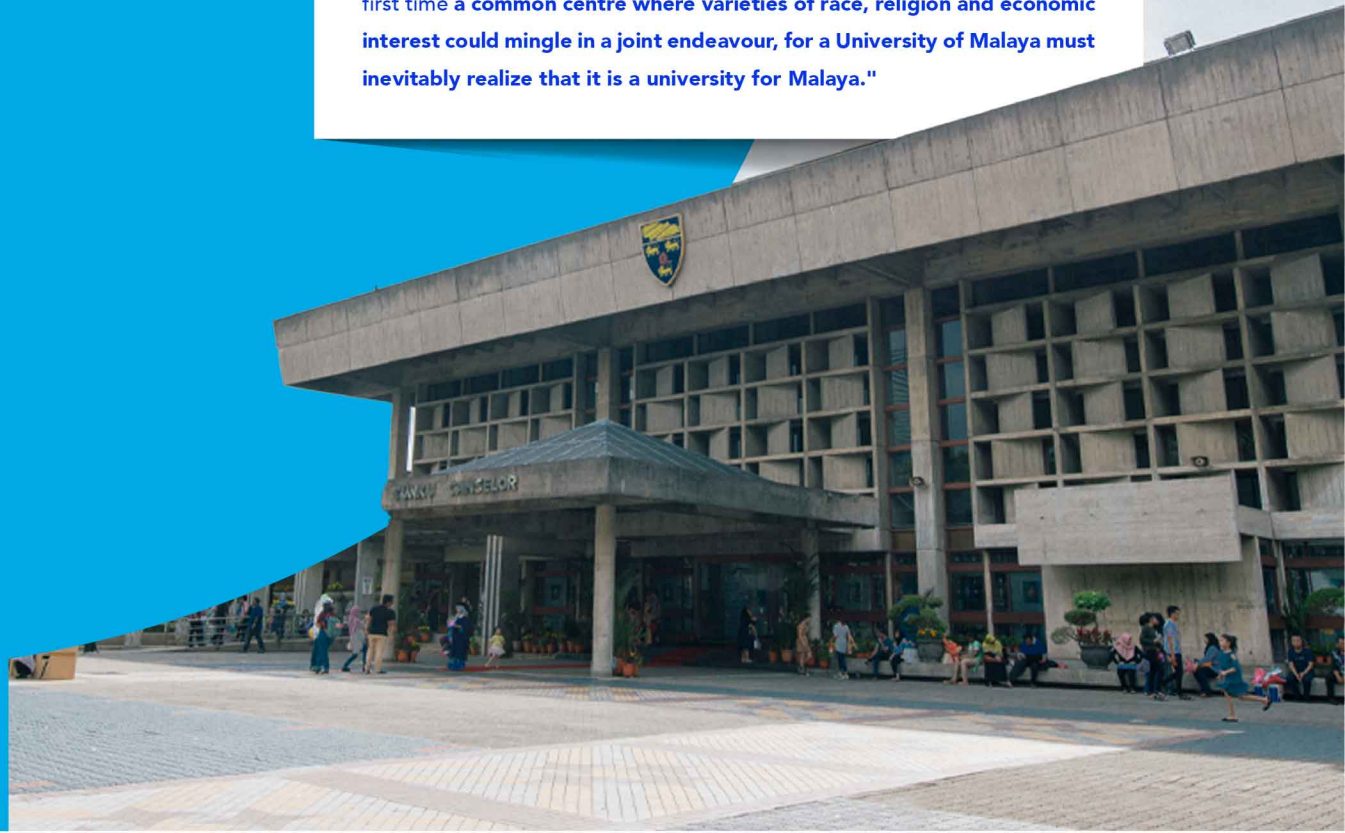

Vision

Pushing the boundaries of knowledge
and nurturing aspiring leaders

Motto

Home of the Bright. Land of the Brave

The University of Malaya **derives its name from the term 'Malaya' as the country was then known.** The Carr-Saunders Commission on University Education in Malaya, which recommended the setting up of the University, noted in its Report in 1948: "The University of Malaya would provide for the first time **a common centre where varieties of race, religion and economic interest could mingle in a joint endeavour, for a University of Malaya must inevitably realize that it is a university for Malaya.**"

03 World- Ranked University

Being ranked impressively well in the past few years speaks volumes of the university standing as the first and top university in Malaysia. It has also contributed tremendously by putting Malaysia and Universiti Malaya on the map. We are also proud to share that according to the Quacquarelli Symonds (QS) university rankings, we are currently ranked;

- 65th in the World
- 3rd in Southeast Asia
- 11th in Asia
- 1st in Malaysia

04 All-inclusive Academic Programmes

With more than 200 academic programmes, which comprises foundation, undergraduate, and postgraduate programmes, Universiti Malaya offers broad-based and wide-ranging opportunities to prospective students to enrol in its world-ranked academic programmes. Our innovative educational initiatives include immersion of learning through industrial engagement and flexible programme delivery.

05 Diverse Programmes Offerings

As part of the effort in ensuring its survival and sustainability in the digital world, Universiti Malaya is now opening doors of possibilities to its potential students around the world to partake in its academic programmes through manifold channels, namely Online & Distance Learning mode, as well as Micro-credentials mode, which are up for grab!

06 Comprehensive Learning Experience

Universiti Malaya is not what it used to be 100 years ago, dynamically improving its curriculum in upholding the humanistic values that enrich the heart and soul of its students; we take pride in the initiatives such as Student Holistic Empowerment (SHE) programme, Internship Programmes, Fast-Track Programme and Inbound & Outbound Mobility Programmes to enhance students' learning experience.

07 Renowned Collaborative Programmes

Our innovative international dual programmes include the Double Bachelor's Degree, Dual Master's Degree and Dual PhD Programmes via reputable partnerships with renowned universities that are coming from France, German, Japan, Iran, United Kingdom, Australia, Indonesia, Cambodia and many others.

08 Flexible Academic Curriculum

We offer vast opportunities through double major programmes as well as major-minor programmes as an option for the students in the effort to increase their employment prospects in the job market and in widening their chances of career choices.

09 Admirable Location & Affordability

Situated in the heart of Kuala Lumpur - Malaysia's capital city, studying in Universiti Malaya is made easy with rewarding experiences having to be in close proximity to the main city. Kuala Lumpur that is known for its affordability for food, transportation, accommodation as well as tourist attractions, is indeed a steal for many.

10 Multicultural Diversity

In the effort to be a global university that is impacting the world, Universiti Malaya is always at the forefront in welcoming outstanding talents and individuals from different walks of life to be part of its successes, and that said, we are currently home to more than 8,600 international students from 88 countries to date.

01 Proud History

Since its inception in 1905, Universiti Malaya has received recognition and accolades in the arena of academic, research and social interests. Universiti Malaya will always be home to notable alumni, and we take pride in the diversity of students populations, races, religions, and nationalities in the quest for knowledge.

02 Premier Research University

The research ground is pillared by 4 focal research clusters which spread over 50 research centres in its vicinity as well as within its renowned research institute, namely, the National Higher Institution Centre of Excellence (HiCoE), the Universiti Malaya Centre of Excellence (UMCoE) and the Academy of Science Research Centres which houses high-impact research and innovation for the country.

QS World University Rankings by Subject 2024

Academic Programmes

Academic Session 2024/2025

Level of Study

► Bachelor's Degree

Study Mode

► Coursework

Candidates are required to acquire a specified number of coursework credits hours. Certain coursework programmes may require the submission of a research report.

► Mixed-Mode

Candidates are required to complete a certain amount of coursework credits hours and concurrently produce a dissertation according to the agreed topic by the supervisors and candidate.

► Industrial Mode

The industrial study mode is the 2u2i academic programmes that blend academic learning with real-world applications in the workplace, enhancing experiential learning beyond the classroom.

► Clinical

Candidates are required to complete coursework credits hours and at the same time be involved with the clinical work that will be assigned from time to time according to courses taken.

Mode of Implementation

► Conventional

Candidates are required to attend all classes, assessments and examinations as outlined for the whole duration of the study programme, be it physically, virtually or in hybrid mode, which is reliant on the later circular.

Mode of Attendance

► Full-time

International Students & Mobility Centre (ISC) - Mobility

International Students & Mobility Centre (ISC) offers a comprehensive array of student mobility programs designed to **foster global connections and cross-cultural understanding inclusive of cultural exploration tours and events** such as the Universiti Malaya Cultural and Food Festival (UMiCAFF) while initiatives like the Global Buddies program promote meaningful interactions between international and local students.

ISC also actively participates in renowned mobility programs such as the Asian International Mobility for Students Programme (AIMS), ASEAN University Network (AUN-ACTS), ERASMUS+, and POSCO Asia Fellowships, offering students opportunities for academic exchange and professional development on a global scale.

Transportation

Universiti Malaya's Transportation Unit efficiently manages a fleet of 22 buses, including 3 minibusses, operated by a team of 16 dedicated drivers. These buses serve students and staff across four main shuttle routes covering Pantai Dalam/Kerinci/Vista, Section 17/International House/Jalan Universiti, campus shuttles, and Ninth Residential College.

Services offered include bus services for student societies & department activities, Friday prayer bus service, transportation during registration day/enrollment of new students, convocation week for students and parents, and complimentary transportation during all university programs.
